Canadian Society of Echocardiography

19TH ANNUAL CANADIAN ECHO WEEKEND
APRIL 20-22, 2017
TORONTO, ON

Session Title:2D and Doppler Optimization Accreditation Standards

Presenter/Author:C.Sloggett

OBJECTIVES: What questions or points will participants learn or discuss?

1. **What comprises a complete transthoracic echo exam –review guidelines**
2. **Discuss techniques to ensure optimization**
3. **Pitfalls**

DISCUSSION: Please provide a summary of the discussion and/or include 3 to 6 key presentation slides.

Review guidelines for 2D measurements

What we have observed in the field

Review Doppler parameters/ guidelines

What we have seen in the field

CONCLUSIONS:

1. **Participants will have a better understanding of CCN assessment tools**

2. **Review 2D dimensions and Doppler techniques to ensure a quality exam is obtained**

3.
