

ECHO Cardiology Sonographer

1FTE Permanent Role

Department of Cardiology

Medical Clinical Care Group

Hauora Tairāwhiti

Come to the spectacular East Coast of New Zealand and be part of our dynamic cardiology team. Hauora Tairāwhiti has committed to reducing cardiac disease in our community and eliminating inequity.

Our dedicated team of onsite Cardiologists, Nurse Practitioner, Clinical Nurse Specialists, Cardiac Physiologist, Echo sonography and medical technical are providing an excellent service to our people.

A Cardiology Echo Sonographer is now being sought to continue our ability to provide locally based, specialist services.

Your experience will include Stress Echo and Echo Sonography, clinical leadership and service delivery participation. While you will have a great cardiology and medical technician team to work alongside, you will work closely with one other ECHO Cardiology Sonographer and so must be experienced enough to lead some services.

Please review the [position description](#) for further details
